RULES AND REGULATIONS

Pertaining to PSEUDORABIES IN VIRGINIA 2 VAC 5-180-10 through 2 VAC 5-180-120

Pursuant to the authority in Sections 3.1-724, 3.1-726 and 3.1-730 of the Code of Virginia (1950) as amended, the Board of Agriculture and Consumer Services hereby adopts the following Rules and Regulations Governing Pseudorabies in Virginia.

2 VAC 5-180-10. Definitions.

The following words and terms, when used in this chapter, shall have the following meaning, unless the context clearly indicates otherwise:

“Accredited veterinarian” means a licensed veterinarian approved by the United States Department of Agriculture and the State Veterinarian to perform functions required by cooperative state-federal disease control and eradication programs.

“Approved laboratory” means a laboratory approved by the United States Department of Agriculture or the State Veterinarian to conduct official pseudorabies tests.

“Approved slaughter market” means a livestock market approved by the United States Department of Agriculture where shipments of slaughter swine only are permitted in accordance with applicable state and federal regulations and from which no swine may be released except directly to another approved slaughter market, or to a recognized slaughter establishment for immediate slaughter.

“Boar” means any male swine used for or intended to be used for producing offspring.
