## **Attention!**

The Virginia Department of Agriculture and Consumer Services recently received federal grant funding to establish a Product Safety Program. This new program will work to address the growing, packing, holding and dissemination of produce grown on farms and will encourage the safe production of fruits and vegetables and promote understanding and compliance with the FDA Produce Safety Rule. For questions about the Produce Safety Rule or to schedule an educational on-farm readiness review prior to compliance dates, please visit us online at [www.vdacs.virginia.gov/food-produce-safety.shtml](http://www.vdacs.virginia.gov/food-produce-safety.shtml) or call the Produce Safety Program at (804) 786-4003.
