Join us for the Dubai WoodShow 2018. The Dubai WoodShow is the premier destination for wood specialists and is the leading platform for wood and wood working machinery in the Middle East. More than 9,500 visitors, including specialized buyers, attend this fair, making it a great opportunity to promote Virginia forestry products.

The Virginia Department of Agriculture and Consumer Services is exhibiting at the Dubai WoodShow 2018 and invites Virginia companies to join our booth.

Join VDACS and take part in this great opportunity to:

- ➔ Network with the international industry
- ➔ Meet and qualify customers face-to-face
- ➔ Obtain leads on new buyers in real time, before other suppliers
- ➔ Utilize Virginia's international trade representatives to arrange meetings with targeted buyers

If you are exhibiting or planning to attend the show in Dubai, let our trade representatives help you maximize your international sales opportunities there.

The registration fee is \$300. Reimbursement of travel expenses may be available for 75 percent of pre-approved airfare and hotel room fees up to \$3,000 per company for travel to foreign markets. Ask your VDACS contact for more details.
