Revised March 2009

Who needs a Lime License?

Manufacturer/Distributor

Each person who manufactures or whose name appears on the label of any liming material to be distributed in the Commonwealth shall obtain license prior to distribution of such liming material. The license year for all distributors and manufacturers is July 1 through June 30 of the following year. The license fee is \$50.00 per year.

Contractor/Applicator

Any person or company desiring to become a contractor as defined in Section 3.2-3700 of the Agricultural Liming Materials Law shall obtain a permit to do business in the Commonwealth before engaging in such business. This lime permit is combined with the Fertilizer Contractor/Applicator permit, thus permitting a person or company to apply both fertilizer and lime. The contractor shall guarantee compliance with all provisions of *Title 3.2, Chapter 37* of the Code of Virginia (1950), as amended, which apply to the sale and delivery of bulk liming material. The license year is January 1 through December 31.

What Lime Products need to be registered?

Agricultural Liming Product

Any distributor of agricultural liming material in the Commonwealth of Virginia shall register each brand of agricultural liming material before distributing in the Commonwealth of Virginia.

Industrial Co-Product

Any distributor of any brand of industrial co-product used to neutralize soil acid shall register each brand of industrial co-product before distributing in the Commonwealth of Virginia. Each distributor shall submit test data indicating the product's neutralizing value and its safety to plants and animals.

Filing Instructions for Lime License and Products

The following documents are required for Lime Licensing and Product Registration:

1. Completed Lime License or Permit Application
2. \$50.00 fee for Lime License/Permit Application
3. Completed Lime Product Registration Application
4. \$50.00 for each Agricultural Liming Product; \$100.00 for each Industrial Co-Product
5. Labels for each product to be registered

Who pays Lime Inspection fees?

By August 1 of each year, each person who distributes liming material to a non-licensed person shall submit a tonnage report for the reporting year July 1 through June 30 of each year indicating the number of tons of each liming material sold by the distributor for use in Virginia. An additional report that shows the breakdown by county of where the liming material was sold is also required. Each person distributing liming material in Virginia to a non-licensed person shall pay an inspection fee of thirty-five dollars or five cents per ton of liming material, whichever is greater.
