## **I. Narrative.**

### Goals -

- To develop and implement marketing plans that promote economic development of all Virginia seafood products while emphasizing the importance of the seafood industry to the state's economy in terms of revenue and employment.
- To serve as a resource to the Commonwealth's seafood industry, to individual processors, to watermen's associations and seafood buyers to assist in selling and marketing Virginia seafood.
- To continue proactive industry public relations and promotions programs to increase the sale of Virginia seafood to buyers and consumers.
- To continue successful cooperative programs and create additional co-promotions to leverage the board's budget.
- To comply with all state rules and regulations while administrating funds on behalf of the seafood industry.

### Audiences -

- Seafood trade: customers, buyers of Virginia seafood products including wholesalers, processors, supermarkets, retailers, hotel, restaurants, importers and distributors in the national and international market.
- General seafood consuming public in prime market/distribution area.
- Trade and consumer media in Virginia, national and international.

### Objectives -

- Create brand awareness for Virginia seafood.
- Gain wider acceptance for wild and Aquaculture grown, sustainable, available Virginia species fish and shellfish.
- Create and maintain solid relationships with the trade, media, elected state and local officials.
- Demonstrate Virginia Watermen's concerns about the environment, the health and safety of the products they harvest and process and the appropriate regulation of fishing to ensure the long-term health of the industry.
- Keep the seafood industry informed so that all parties speak with one voice.
- Create and maintain pro-active rather than reactive position.
- Educate retailers, the food service trade and wholesale distributors about Virginia seafood and the companies that produce it.

### Strategies -

- Effectively brand Virginia seafood products to create lasting awareness and impressions on target audiences so that the product is perceived as premier in its category.
- Promote programs and increase buyer access to the industry domestic and internationally.

Programs -

- Marketing Calls.
- Market Aquaculture Oysters.
- Web Site.
- Limited Consumer Advertising
- Trade Shows.
- Cooperative Programs with the Southern United States Trade Association and Virginia Department of Agriculture and Consumer Services.
