

BE FSMA READY.

Schedule Your On-Farm Readiness Review TODAY.

Is your produce operation covered by the Produce Safety Rule? VDACS is teaming up with VCE to bring the On-Farm Readiness Review Program to Virginia producers.

Benefits of Participating in an OFRR:

- The free and confidential review will assess your readiness for a Produce Safety Rule inspection.
- VDACS Produce Safety Specialist and VCE Specialist/Agent will meet with your farm manager to walk through your operation. This review generally takes 2 hours of your time.
- You will receive a complimentary OFRR manual that clearly outlines the law and where each part can be applied in your operation.

On-Farm Readiness Reviews are only offered prior to compliance dates. To schedule your OFRR, please call 804-786-4003 or visit www.VaProduceSafety.com.
