Dear Applicant:

Each year the Virginia Poultry Federation and the Department of Animal and Poultry Sciences at Virginia Tech offer scholarships to assist with the academic careers of students demonstrating an interest in poultry and its related industries. Last year approximately \$10,000 was awarded to current and incoming students with a poultry interest in the College of Agriculture and Life Sciences.

We are looking forward to reviewing the applications of many more promising students to be considered for this year's awards. Scholarships will be awarded by email, and recipients will be recognized at the Virginia Poultry Federation Youth Convention in Harrisonburg, VA and at the Department of Animal and Poultry Sciences Banquet. Scholarship funds will be available for the 2021-2022 academic year.
