Dear President Sturgis and Commissioner Adams,

Len Thompson,
Director of Events
Rockbridge Vineyards

The Virginia Wineries Association (VWA) is writing to endorse Randy Phillips as continuing board member of the Virginia Wineries Distribution Company (VWDC). To our knowledge, Randy has offered to be reappointed to the VWDC Board, and we would like to offer our support of his decision.

Ann Heidig,
Past President
Lake Anna Winery

Mr. Phillips has helped to build VWDC into the tremendous resource that it is today for the Virginia Farm Wineries who are utilizing this service to bring their wines to market in the Commonwealth, and we feel that by reappointing him to the Board, VWDC will continue to flourish.
