Online Registration Procedures For Registration Renewal
Registration Renewals

• All registrations must be renewed by June 30th of each year (expiration date is shown on your registration certificate). Renewals submitted after July 1st will be charged a $25 late fee in addition to the $50 renewal fee.

• If you do not wish to renew, your registration will automatically expire. No further action is required and you will not be charged any fees.

• Renewals follow the same procedures as initial registrations – you will need to login to your account to start the renewal process. If you don’t remember your password, you can request a temporary password (see section for requesting a temporary password). Please note: too many unsuccessful login attempts will lock your account. We cannot unlock it – you must wait for 30 minutes before you will be able to attempt to login again.
To renew your registration, you will need to go to the log on page (found using the following link: https://oars.vacdacs.com/Account/logon?Prog=LSP). On this page, you must enter your email (the email used to set up the account) and your password. If you cannot remember what email you used, please contact us for the information. If you no longer have access to the email used to set up the account, please contact us so we can change the email address for you. If you don't remember the password you used to set up the account, enter your email address and then click on “Request a temporary password” and follow the instructions for creating a new password. If you have any issues creating a new password, please refer to our tutorial, “How To: Change Your Password.” Due to recent updates, the system only recognizes the following characters: ( ) _ . - ! % ^ , [ ] when creating your password.
Renewal Home Page

When you log in, the main page will populate and your registration records will appear on this screen. Locate your most current record and click on the “Renew” button. This will initiate the renewal process.

If you are renewing, **DO NOT** click on any button other than the “Renew” button, as this will open the existing record instead of creating the renewal record.
“Renew” and “Edit”

- If you click the “renew” button on the top record then you will automatically enter the renewal application.
- Please be advised if you begin the renewal process, but do not finish (submit) the registration, when you go back to complete the renewal, you will need to click on the “Edit” button to continue (you will no longer see a “renew” button as an option).
On page 1 of your renewal record, you will need to review the information to confirm it is correct. If it is not correct then you need to make the appropriate revisions and then click “Next” to proceed to page 2.
Page 2 of the application is shown below. You are required to answer all of the compliance questions.

**Question 1** asks for the Legal Services Organization (LSO) on whose behalf you will sell legal services plans. If your LSO is not listed, you will need to contact this office before you can complete the registration. Click on the box to the left of the name of your LSO.
