*Section 3.2-4115(D) of the Virginia Industrial Hemp Law provides that all records, data, and information filed in support of an industrial hemp grower or processor registration application shall be considered proprietary and excluded from the provisions of the Virginia Freedom of Information Act (FOIA). Despite this exclusion from FOIA, some registered processors have requested that VDACS provide the public with certain information. This is a list of the registered processors who have authorized VDACS to share their contact information with the public.
